

Dear Scion Driver,

When Scion emerged on to the Canadian scene in 2010, we provided Canadians with an alternative to the typical automotive purchase process and owner / manufacturer relationship. One of the programs that set us apart was the Scion Racing Contingency Program (SRCP).

With the Scion brand being transitioned into the Toyota portfolio, there are a number of questions that have come up and the Toyota team will continue to work diligently to provide answers. With regards to the SRCP, 2015 will be the final year of the program; there will be no Scion Racing Contingency Program in 2016.

Though the Scion Racing program will cease, Toyota will continue to support grassroots initiatives. We encourage you to stay connected with the Toyota brand through the Toyota website and Toyota social media channels, as this will be the platform used to communicate all future announcements.

As a Scion owner, vehicle service, financial services and warranties remain unaffected. If you have questions or concerns as it relates to ownership please contact Scion at 1-866-9-SCION (1-866-972-4661), or consult your local Toyota Scion dealership.

On behalf of myself, the Scion team and all of our partners and affiliates, I would like to thank-you for being a part of the Scion Racing Contingency Program over the years and hope it was beneficial to you. I'd also like to formally welcome you into the Toyota family and above all, encourage you to continue pursuing your passions.

Sincerely,

A handwritten signature in black ink, appearing to read "Ryan Burgi", with a stylized flourish at the end.

Ryan Burgi
Scion Brand Manager
