

Valvoline™ High Performance Gear Oil is a high quality lubricant to keep your vehicle running in great condition and avoid loss of corrosion protection. Additional product benefits include:

- Outstanding thermal stability for cleanliness and longer service life
- Reduced chattering in limited-slip differentials
- Gear teeth wear protection from pitting and scouring
- All hypoid differentials (conventional and limited slip) and manual transmissions in passenger cars, light trucks, sport utility vehicles, vans and heavy-duty trucks where an API-GL5 or MT-1 fluid is specified.
