

Second Annual Texas FT86 Day [TWISTED SISTERS RUN](#) and Meet Saturday, 9 August 2014

Plan to Arrive between 8:00 - 8:30 AM. [The Apple Store](#) / Patio Cafe / Gift Shop, 14024 State Hwy 16 North, Medina, Texas 78055. Park across the street from the Store and use caution to back in (park) to make it easier to pull out on to the street. The Apple Store has delicious apple pies, turnovers, refreshments and a self-serve Apple Ice Cream machine. Clean Restrooms. (Stop by after lunch for some desert!)

"TENTATIVE" DEPARTURE TIMES FROM THE APPLE STORE. 10-15 minutes prior to a departure time, a lead car driver will pull their vehicle out to the right side of the street (off the road) past the Apple Store (orange cones will mark the spot) and cars participating in that group will line up behind the lead car. 12 - 15 cars per group. Faster drivers to the front - less aggressive drivers to the rear. First Come / First Served. After a group leaves, the next team driver will pull out to allow the next group to form. Groups will depart every 10-15 minutes. Times are approx. and may vary. (Participants can drive solo or form their own group if desired.)

Departure times: 8:30 8:45 9:00 9:15 9:30

LEAD DRIVERS: Tim, Alex, Steve, John (and one other person - to be determined, if available.)

Roll Chart **Recommendation:** Fill up with gas somewhere (e.g. Boerne, Bandera, Kerrville) before arriving in Medina as it will save some time once we begin the Twisted Sisters Run. Note: Cell phone service will be limited past Medina. Only AT&T works in Leakey. Use **FRS/GMRS Channel 5 -0** if you bring a walkie-talkie. **Google Map:** <http://goo.gl/maps/KsvEI>

1) FROM THE APPLE STORE - Head North on Hwy 16 a short distance and take a left on to Ranch Road 337. Follow the signs to Leakey, Texas. There will be twisties just before getting to Leakey. Stay in your lane! Use caution in case there is a need to slow down suddenly. Always watch out for bicycle riders!

2) PIT STOP IN LEAKEY - 10 Minutes - Stretch/Restroom Break and Last Chance for gas for the next 96 miles. Take a left on Hwy 83. Go down to either the **STRIPES** or **Global ("The Buck Stop")** Convenience Stores. There is more room to park & more pumps at the STRIPES. Both are on the left side of the road.

3) FROM LEAKEY, GO NORTH (back towards 337) ON HWY 83 (about 1 mile past town) **AND TAKE A LEFT ON Ranch Road 336. There are numerous cattle guards on this stretch. The 4th cattle guard is a bit rough. Be alert for cars braking in front of you as it is possible to run up behind slow drivers. Some turns are unexpectedly sharp so...be careful...stay in your lane! Ranch Road 336 ends at Hwy 41.**

4) TAKE A LEFT ON TEXAS 41 AND HEAD WEST ABOUT 13 MILES. Relax, crank the music and enjoy the scenery. Watch for a highway intersection sign for Ranch Road 335.

5) TURN LEFT ON TO RANCH ROAD 335. May be some loose gravel at the beginning of this run. You may see some rocks on the road in a few spots. Watch out for motorcycles. Be alert for turns after rising over hills. There are some spots you might bottom out on if going too fast. Be Safe...this sister is a roller coaster ride!

6) BRIEF 10-15 MINUTE BREAK ON THE NUECES RIVER BRIDGE. We will stop midway for a brief stretch break and photo shoot opportunity of cars lined up on the Nueces River Bridge area. Please stay off the roadway! 15 minutes max. If you see the next group arriving, your group should be leaving.

7) AT THE END OF RANCH ROAD 335 - TAKE A LEFT ON HWY 55 TO CAMP WOOD. (From this point on, speed limits may be radar enforced in some spots all the way back to Leakey.)

8) FROM HWY 55 IN CAMP WOOD TAKE A LEFT ON TO RR 337. Shortly after the second and final set of twisties on this stretch, **watch for a right turn in to the Frio Canyon Motorcycle Stop**/Bent Rim Grill (657 Ranch Road 337 W) for lunch and the 2nd Annual Texas FT86 Day Meet. (20 miles to Leakey from Camp Wood.)
